

Fergus Falls Backcourt Club

COVID PLAN - 2020-2021

Please review the Backcourt Club's Covid Plan and protocols listed below. These regulations have been put in place to keep all the Otter Athletes safe and to keep basketball going!

ARRIVAL AT THE GYM

Please do not drop your child off early. The earliest players will be allowed in the gym is 5 minutes prior to the start time of their practice. This will help us keep the groups separated.

- Practices at Kennedy Maroon, Silver and Gold Gym: enter through the door located near the tennis courts (Door H).
- Practices at Cleveland School: enter through the doors by the gym/playground.
- Mighty Mites at Roosevelt: enter the single door near the concession stand

Players need to wear a mask when entering the building. They will check-in with their coach outside their designated gym and have their temperature taken and health check completed.

PRACTICE

Each team (grade level and gender) will be its own pod. If that team has more than 25 participants, the team will be divided into 2 pods that do not intermix with the other pod during that practice session. Some important tips on how to make practice run smoothly.

- NEW! Kids are required to wear a mask while in the building, including during practice.
- Parents/guardians will not be able to stay and watch their child(ren). If you'd like to walk your child to the door that is fine.
- Locker rooms will not be available, players should arrive in their practice attire. Players will keep their personal belongings in a designated space inside the gym upon arrival.
- Drinking fountains will not be available, players must bring their own labeled water bottle that is full. We will take many water breaks during practice!
- Coaches will be wearing masks while in the building and throughout practice.
- When a team meets on the court, all players and coaches will maintain social distancing.

END OF PRACTICE:

All groups will be done 10 minutes before the time listed on the schedule. Please have rides ready to pick up players promptly after practice. Grades 3-8 will end at 9:20, 10:50, and 12:20. Mighty Mites will end at 9:50, 10:50 and 11:50. Monday night lights will end at 6:50 and 7:50.

- Players practicing at Kennedy in the Maroon Gym will exit through Door B
- Players practicing at Kennedy in the Gold and Silver gym will exit through doors C or D (gym doors in the bus parking lot).
- Mighty Mites parents should wait near the doors to the gymnasium so we can make visual contact with you.

The backcourt club is following the same stay at home protocols as the Fergus Falls Public Schools. If your child is not feeling well or showing symptoms of Covid 19, please keep them home. Thank you for your support and cooperation!
